unique branding

ATTRACT
attention

DIFFERENTIATE
from competition

You've never found an interactive kiosk suitably attractive. That's why kioskStyle kiosks offer **WILD BRANDING** not just brushed metal

kioskStyle

✦ kioskStyle kiosks push further to provide features otherwise impossible to achieve with a kiosk.

PORTABLE

360 mounting, desk/pedestal/pole/arm/cabinet in-wall/on-wall/ceiling, just about anywhere

easily relocated, removed, replaced, or re-arranged even for really short campaigns, lightweight shipping ✦

POWERFUL

multi-function, multi-purpose, multi-tasking kiosks able to present multiple campaigns concurrently ✦

high-performance and extensible to support any software, and attached devices ✦

full range of multi-media capabilities

PUBLIC

match each kiosk to its location's decor with myriad colours, patterns, custom finishes and swappable exteriors ✦

water-resistant, durable, military-grade aluminum construction, easily cleanable with any common solvent or cleaning product ✦

prioritize physical safety by eliminating sharp corners, ESA, CSA, NEC approved

landscape/portrait touchscreen accepts hand, glove, object/stylus input

your colours, your logos, your wild branding ✦
